

Band Programs Agreement 2020

INSTRUMENTS

- All band members are required to have an instrument in time for their first rehearsal where possible.
- The Music Partnership does not provide instruments to students. Each student is responsible for the hire or purchase of his or her instrument.

MISSED REHEARSALS

- Missed band rehearsals are unfortunately not refundable. Band is a big commitment and we require all students enrolled as band members to be there each week.

COMMITMENT

- All band members are expected to commit to the program for a minimum of one (1) school term. This allows students to give the band a good go. Sometimes it takes a few terms to really start getting the hang of things.
- Any band member wishing to discontinue their band program enrolment should email The Music Partnership 2 weeks prior to the commencement of the next school term. Please email info@musicpartnership.com.au

EXPECTATIONS

- All band members are required to bring their instrument and all relevant music to each band rehearsal.
- All band members are expected to attend all rehearsals and performances as advised.
- All band members are required to practice their instrument at home on a regular basis.
- All band members are expected to behave appropriately during all band rehearsals.

FEES & PAYMENT

- Please refer to your school's page (select your school from the drop down menu found on our 'Band Programs' page) to view the breakdown of band fees. This agreed program fee is payable to "The Music Partnership Pty Limited". In 2020 there will also be a performance contribution fee of \$10+GST per child per term. This is to help cover the conductor fees when the bands perform.
- All band tuition fees include band rehearsals, performances and music as specified. Drum kit, keyboards, amplifiers and music stands are all provided for use at each rehearsal.
- An invoice will be sent in Week 1 of each school term to the student's family via email. The invoice is payable by the end of Week 3. Rehearsal numbers per term vary according to the NSW school terms.
- Failure to pay within the allocated time frame will result in a late fee of \$5.00 for the first week overdue and \$10.00 for every subsequent week overdue until the full amount is paid.

Band Programs Agreement 2020 (continued)

- Refunds / credits are not offered except under exceptional circumstances.

Failure to pay for your band enrolment on time may result in your account being forwarded to a debt collection agency and your band spot suspended. If you are having trouble paying your account, please contact The Music Partnership Pty Limited to discuss a payment plan. We are happy to help if we can.
